"This Is Our Life—Yesterday, Today, and Tomorrow."

For almost as long as we can remember, our school has been our life. Now, as we step from this old life into a new one, we are looking back with nostalgia and ahead with expectation.

Yesterday holds many memories. There was the thrill of starting to school, going camping with the Boy Scouts, and selling Girl Scout cookies. In the sixth grade we wondered who would be the grade school basketball champs; the next year, who would be Club Co-ed king and queen. Last year we spent many hours making "Neptune's Gardens" the best prom ever.

Today, pep rallies, assemblies, the dedication of the new gym, beautiful Queen Beth, the Skytones, and our District-Champion Generals have made our senior year best of all. Now in our caps and gowns and holding our diplomas we stand in the doorway to the future.

Tomorrow—What does the future hold? For some it means a job; for others, college. Soon many of us will have homes and families. All of us will be praying for a world of peace and unity where men of all nationalities, races, and beliefs can live together in love and freedom.

TREAT

MR. ROLAND W. SAYRE

## *The Principal*

In his third year at Wooster High School our principal, Mr. Sayre, has become even more a part of our school. He has taken an active interest in all the student activities and has been especially helpful to the seniors as they made plans for their futures.

## *The Deans*

MR. RANDALL HARTLEY  
and MRS. EDITH JOSS

## *The Superintendent*

Being superintendent of our growing school system makes Mr. Bodenbender's days very busy. Wooster High and its students, however, hold a special place in his life. He is never too busy to guide and counsel them.

MR. D. P. BODENBENDER

## *The Assistant Superintendent*

MR. RALPH BEECHY

Dr. Howard MacMillan, Dr. Orville Bentley, Mr. Chester Shamel, Dr. William Schultz, and Dr. John Chittum.

## *The Board of Education*

"This Is Your New Day in Education" says the Wooster Board of Education. One of the most important projects of the Board during the past year was the publication of a booklet entitled "This Is Your New Day in Education." The booklet shows by means of graphs, pictures, and words the growth and cost of our physical plants over the past decade. It also includes many other factors of interest concerning our schools.

Dr. E. E. Holt, Superintendent of Public Instruction in the State of Ohio, was the featured speaker last fall at the dedication of the new gymnasium and shops. The addition to the Junior High School was also dedicated at this time. New equipment has been added in several departments. A display case on the second floor of the high school has facilitated the teaching of Distributive Education. Additional apparatus has added to the effectiveness of the program in science.

This year the Board has begun work on a problem which will be facing them in the future, that of welding the Madisonburg School District to the Wooster City School District. With this annexation, our school district will have over 4,000 students.

Mr. Chester Shamel ..... *President*

Dr. William Schultz ..... *Vice-president*

Mr. Roy Miller ..... *Clerk*

## *THE ALMA MATER*

Oh, come, let's sing our Wooster's praise  
And songs to Alma Mater raise;  
And for the school we hold most high,  
We'll raise our voices to the sky.  
To her, we pledge our hearts and hands,  
And loyal to her each one stands;  
Preserve her honor, far and near,  
Because we love her, Wooster dear.

## Student Council

The school organization that constantly works for the benefit of all students is the Student Council.

This year has been a history-making year for the Council, as a number of new features were added to the already existing Council program. The very eventful Homecoming Dance was an undertaking of this group as was the Sweetheart Dance in February. At this dance a King and Queen were crowned.

The Inter-Club Council, made up of presidents, was organized in January. It meets once a month to work on club problems and to co-ordinate the student activity work in the high school.

The regular services of this organization include the sale of S.A.T.'s, annuals, the magazine sale, taking tickets for assemblies, decorating the Christmas tree, keeping an honor study hall, and co-sponsoring Parents Night for basketball.

The Student Council has always worked with the faculty to solve school problems. This year they worked on a system for using the new gym during noon hour.

The Council sent two delegates to both the national and state conventions.

## *National Honor Society*

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by a vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten per cent, in the senior year.

The beautiful candlelight induction service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

## Library Club

Truly the silent service of Wooster High School is the Library Club. Without the student assistants it would be impossible for our library to provide the excellent services it offers to the students. The assistants check out and in, card, shelve, and inspect books, magazines, and pamphlets. They also help fellow students utilize the facilities of the library. Members assist in decorating the library's four bulletin boards, which provide colorful suggestions for good reading.

Any student who wishes to work in the library attends training sessions during home room period on Wednesdays. He also learns as he works during study hall or before or after school.

Many Library Club members have gone on to part-time jobs in public and college libraries.

The club's main social events are the fall and spring parties, the party for the Junior High Library Club, and the faculty tea at which the new books of the library are displayed.

## Senior Hi-Y

Services performed for the school and community have been the highlights of the Senior Hi-Y during its three years. As sophomores, members sold football pep ribbons. As juniors, the boys operated the concession stands for the Miss WWST pageant and the night relays. In both the junior and senior years the boys helped sell balloons and crutches for the March of Dimes. As seniors they presented the Christmas assembly and delivered Thanksgiving baskets to needy families in the Wooster vicinity. In co-sponsorship with the Tri-Hi-Y they helped with Halloween festivities.

Some of the social events of the club included parties, smorgasbords, and the annual Mother-Son banquet.

Throughout the years the Senior Hi-Y has attempted to follow the Hi-Y motto of "Clean speech, sportmanship, scholarship and living," as well as the Hi-Y purpose "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

### Co-Chairmen Of This Year's Science Fair Will Be Briggs, Beeler; Deadline For Entries Is March 1

Science Fair time is rapidly approaching, the date being March 14. Again to be sponsored by the math club, it promises to be bigger and better than ever.

This year's co-chairmen are Rob Briggs and Joe Beeler. The fair was a great success last year because of the large number of contestants. Although this made the competition keen, it also insured everyone of a good time and lasting memories.

In a science fair everyone gains as much as he puts into it regardless of the prizes. Into every project goes a lot of ingenuity and thought. This is reaped by the entrant in the form of experience. This experience is by far more valuable than any material prizes that are given out. On this basis, everyone is a winner. If not of money, of invaluable experience. I think last year's entrants gained a tremendous amount of that intangible experience and it is hoped this year's entrants will gain even more.

Last year although everyone gained experience, some people also gained material rewards. Rob Briggs and Don Schmidt won the grand prize with a very novel project.

Using what had sank in during plane geometry class they made a very interesting and informative picture. With some Montovani background music to humor the judges they managed to draw some material wealth from their project.

The possibilities for projects is almost as shown by Rob and Don's model. This year there will be divisions in all four of the science courses (General Science, Biology, Chemistry, and Physics).

In math there will also be divisions for the different courses. The grade of the contestant will also be taken into consideration. There will be a Junior High division for seventh and eighth graders.

Once you have an idea for a project registration blanks should be obtained. Any of the science or math teachers have them. One of these teachers will also have to approve

### Sr. HiY Sponsors Post Tourney Hop

Hey Kids! If you like music you can dance to fast or slow come see the "Plexers," a combo group from Mansfield. School clothes are appropriate. Admission, 50c stag and 75c drag.

The dance will be sponsored by the senior HiY and will follow the March 1 basketball tournament game. Wooster will play in the tournament.

### Committees Appointed To Head Three Projects Class Dinner, Gift, Party

Seniors, under the direction of president Curt Dunham, have begun plans for the three projects each class is responsible for during its last year.

The committee chosen to head the arrangements for the class party is composed of Doris Fullerton, Joe Miller, Roger Murray, and Pat Snider.

Though the date for the traditional senior banquet is still indefinite (sometime in May), Larry Acker, Bill Musselman, Ann Sherwood, and Elaine Varnes are at work selecting a place for it to be held. Suggestions as to a new spot will be welcomed.

There is also an opening for suggestion for the class gift. These may be given to Ross Jameson, Mike Sherck, Nancy Stout, or Sue Warren. All money left in the treasury will go toward this gift.

### T.V., Movie Vet Entertains Students With Pantomime Skits Portraying Situation Comedies At Mon. Assembly

"The regular Monday PTA meeting will be held Friday instead of Wednesday." The "school marm" of 50 years ago issued these words was portrayed by Virginia Sale who entertained the student body in an assembly held Monday morning.

In the junior high and senior high assemblies Miss Sale imitated a woman on a train trying to control her small son, a woman who had known Lincoln, and the "school marm."

Change of costumes helped Miss Sale to depict her characters in these humorous sketches.

A veteran of movies and television shows, she has been in the industry since she was 20. She declined to say actually how many years she has been in the business. A graduate of the University of Illinois, Miss Sale attended a dramatic school in New York.

Married to a movie director, in private life, Miss Sale is the mother of twins. Her son Christopher is studying on a scholarship at the University of Edinburg. Singing folk songs is as near as her son comes to show-business.

Ginny, her daughter, is married and lives in Texas. She is a school teacher.

Miss Sale particularly likes touring the schools of the country because it give her opportunity to meet young people and to work out new acts. Miss Sale is also an excellent all-lier. This was demonstrated in our own assembly when she reprimanded two "little boys" for being late when she was doing her school teacher routine. "The little boys" who came late were Paul Dodel, junior high principal and Roland Sayre, high school principal.

### Choir To Attend Clinic March 10; Hosted By Canton

Senior Choir is planning a trip. Canton McKinley to participate in a area clinic March 10.

Choirs from Dover, New Philadelphia, Massillon, Canton McKinley and Wooster will meet for a day of constructive criticism and mass singing.

Professor Ohe from Heidelberg College will be the guest conductor. The five choirs will present individual numbers after which advice will be given on how they can improve their presentation. Then, grouped together the choirs will do some sight reading and be directed in a number by Professor Ohe.

### Band, Choir Hold Combined Assembly

Last Tuesday the school was entertained by the Senior Choir, under the direction of Glen Hurst, and the Concert Band, under the direction of Jack Enig.

The Senior Choir sang five songs. These were of a lighter nature than those that the choir usually sings. They were "Plenty Good Room," "Every Time I Feel De Spirit," "Elijah Rock," "My Bonnie Lassie," and a collection of songs from the musical "Finian's Rainbow."

The band then took the stage to perform several numbers; these included Overture — "Hoosier Schoolmaster" by Yoder; "Hollywood Serenade" by Davis, "Knightsbridge March," an English march for Concert Band by Coates; and "Lustspiel" Overture by Bela.

Next came a more popular song "Blue Tango" by Leroy Anderson; and a narrated piece "Abe Lincoln, Gettysburg, 1863" with Russell Fletcher as narrator using the Gettysburg Address.

The last number on the program was a light march featuring the trombone section, "Lasso's Trombone" by

### Contest Sponsored

Today is the deadline for the junior TriHiY sponsored Courtesy Poster Contest. A prize of a \$5.00 gift certificate will be awarded to the girl with the winning poster. The top fifteen will be displayed throughout the school and the first prize winner will be hung on the main bulletin board.

In conjunction with this courtesy promotion, a Miss Courtesy (not to be confused with that chosen by the Student Council) will be selected by the TriHiY cabinet and the

## *The General*

The purpose of Wooster High School's journalistic outlet, the *General*, is several fold — to report the news, to give training in the field of journalism, to become self-supporting, and to equip its adviser, Mr. Grouver, with a greying top.

The editorship, a position shared by Sandy Hudson and Pam Jameson, has made the paper live up to its name—"a student publication." Deadlines have been tight and lost, blood has boiled, the problem of money through ads has been crucial; but *students* fretted, worried, slaved.

The *General* does give "two whoops for Wooster High School" and hopes to continue its long and fine record of service and reporting.

The *General* is a self-supporting newspaper, published bi-weekly by the students of Wooster High School. A subscription is included in the purchase of a student activity ticket. Single copies sell for 10 cents.

## ***Filmbreakers***

The Filmbreakers Club was organized over a decade ago under the supervision of Mr. Floyd Maurer. The purpose of the club is to assist in showing visual aids to the student body. Also the club teaches the members the responsibility that goes with operating the projection equipment.

Some of the various duties of the club are to show films, to report for assignments every morning, to maintain the projectors, and occasionally to splice films. The club at the present time has sixteen members including three officers, who, with the aid of the club adviser, take care of the business matters.

## FTA

One of the service clubs is Future Teachers of America, which was organized in 1947 in honor of former superintendent, Clifton M. Layton.

Members of the club serve the school through the following activities: grading papers, taking attendance in class, and ushering for different school activities, such as, P.T.A. Open House, the Christmas Sing, and dedication of the new gym.

A major project of the year is the Elementary Observation and Participation Project, when the juniors and seniors of the club observe and teach for two days in elementary schools. Another project is selling bookcovers in the fall. This year the club sponsored a post-dance, proceeds of which went to the scholarship fund of the club. Each year the club decorates for Commencement and Baccalaureate. The May Breakfast, which is the recognition of the seniors of the club, climaxes the year's activities.

Gerry Richardson and Cynthia Catliff represented the club as ushers at the N. E. O. T. A. Convention at Cleveland in the fall. Cindy Catliff and Jeanne Moore were delegates to the fall state conference of F. T. A. held at Columbus.

## *Future Nurses*

The Future Nurses Club, which was started in 1956, is a fairly new organization. This year we had approximately sixty members interested in the club.

Some of the club's activities included a tour through Apple Creek State Hospital, an impressive candlelight induction service, a picnic, various speeches, and meetings which were held on the fourth Thursday of each month.

The purpose of the club is to interest girls in the career of nursing and to help them acquire further knowledge of this career.

## FFA

The Wooster Chapter of the Future Farmers of America completed another busy and successful year. The chapter held two meetings a month on the second and fourth Wednesdays of the month.

Larry Acker received the State Farmer award. The Wooster Chapter was represented at the luncheon honoring the national FFA officers at Cleveland February 17 by Russell First, Stewart McCoy, John Metcalf, Joe Bowen, Dave Myers, and Mr. Boling, adviser.

The chapter placed second in the Wayne County Parliamentary Procedure Contest which was held at Norwayne, and received a gold rating. Larry Acker placed second in the district in the extemporaneous division of the public speaking contest and Russell First received a silver award in the prepared division.

In November, we had Terry Tracy, exchange student from Parma. Dave Myers went to Parma as an exchange student in February.

In May we held our skilled driver contest.

In June the State FFA Convention will be held at Columbus and in July the State FFA will be held at Camp Muskingum.

Throughout the year we had a radio program per month on the program of "Your School Today" and also sponsored a bake sale. In September the FFA chapter went to Peebles, Ohio, to the International Plowing Contest.

National FFA week was celebrated during February 22 — March 1 with displays on the main bulletin board in the high school and a window display in the Wayne County National Bank.

Charles Jentes, a graduate of '57, won the Co-Op test, and was awarded a trip to Fort Collins, Colorado.

The chapter had teams to compete in various contests such as judging dairy, general livestock, land and farm mechanics. In dairy the Wooster team placed first at the Wooster Experimental Station. Paul Carson and Charles Jentes received college scholarships for winning the State Farm Mechanics test. These various teams competed in district, county, and state contests.

The FFA chapter had some parties with the FHA.

## DECA

All students enrolled in distributive education are DECA members. Distributive education trains people for careers in retailing, wholesaling, and service establishments. Students attend school part time and also receive supervised work experience under actual working conditions. Training establishments are local business firms where the student receives on-the-job training and is paid at the same rate as part-time adults.

Fund raising activities this year included operating the football concession stands, selling Christmas cards, and sponsoring a school dance. These funds were used to sponsor a Christmas party for the Wayne County Children's Home, to send two official delegates to the state convention in Columbus, Ohio, to take field trips, and to hold an Employer's Appreciation banquet.

The club voted at the beginning of the year to rotate officers for the president and vice-president and retain a permanent secretary-treasurer. Each six weeks a new vice-president was elected, who in turn was elevated to the rank of president for the ensuing six-weeks period.

## *Le Rendez-Vous Francais*

The first meeting of French Club or "Le Rendez-Vous Francais" was held in September. At this meeting the students of the first and second French classes elected officers and established the fourth Thursday of every month as the regular meeting date.

In the winter, the French Club co-sponsored the French-Spanish Christmas party. After a dinner, the students sang Christmas carols, acted out skits, and presented a gift to Mr. Scolaro. A dance concluded the program.

Mr. Michel, a professor at the College of Wooster, was a guest speaker at one of the meetings. His subject was education in his native Haiti.

The highlight of the year was the annual visit to the opera in Cleveland in April.

A special pizza party was held at the final meeting in May.

## *Knights of the Square Root Table*

Knights of the Square Root Table, mathematics club of the high school, was organized in January 1957.

Purposes of the club are to gain further knowledge in mathematics, to become aware of the applications of mathematics to related fields, to stimulate interest in mathematics, and to contribute to the advancement of science.

Membership in the club is open to any student who is taking or has taken algebra, plane geometry, solid geometry, advanced algebra, or trigonometry.

The math club has accomplished many things this year. It sponsored a dance after a basketball game, held a cupcake sale, and many interesting talks and reports were given at the regular meetings. The final event of the year was a Science Fair.

Fourteen members of our club have been inducted into Mu Alpha Theta — National Mathematics Club. The club is looking forward to having more students inducted into this club in the future.

## Senior Choir

The Thanksgiving assembly was the choir's first concert this season. The program was well received by an appreciative audience.

The Christmas Sing was presented in the new gym and there were over 1400 in attendance. The a capella singing was acclaimed to be outstanding. The chorus once again sang Handel's *Hallelujah Chorus* accompanied by Alan Cook.

The choir joined the band and presented a light assembly program, which was very much enjoyed by the entire student body.

The senior a capella choir's spring concert contained both a religious and secular selection of song literature.

The concluding concerts were the Commencement and Baccalaureate programs.

## Mixed Chorus

The mixed chorus sang three concerts this year although the fundamental purpose of this organization is to learn choral technique and voice control.

The first concert was the Christmas Sing. The group did three a capella selections and also joined the massed chorus for the traditional numbers.

Accompanied by Frank Ellsworth at the piano, the mixed chorus sang a group of selections for a student body assembly.

The final concert was a spring program which was presented for the Music Mothers Club.

## Freshman Girls Chorus

Sixty four girls' voices and a director. It seems very simple. Girls love to use their voices and Mr. Willaman has made clear to them the meaning of the gestures that he uses.

But the fine music resulting was neither magic nor an overnight product. Three rehearsals a week, thirty-six weeks during the year, one hundred and eight hours of hard vocal work—this plus sixty-four girls and a director gave the product seen at the Christmas Sing, the student assembly, and the annual Spring Concert.

## *Varsity Football*

November 15 saw the close of the 1957 football season with the best record since the undefeated team of 1949. Head coach Gene Coleman assisted by Gordon Downie, John Riley, and Roman Majerczak, guided the Generals to a very impressive eight win, one loss, one tie season.

Getting the show off with a bang, the combined efforts of the Generals downed Delaware 25-0.

The following week's action revenged last year's defeat, squeezing past Dover 8-7.

Hitting the road for two more victories, the Generals upset Canton South 12-0 and rugged Berea 20-13.

Returning home for a two game stand, the Wooster squad played perhaps its best game of the year, stopping highly-favored New Philadelphia 14-7. Canton Lehman was the next victim of the Generals, being held 27-19.

On went the team of hardies to Ashland, downing the traditional foe 26-12.

Home for homecoming the following week, the high-stepping Generals were held by Mansfield Madison to a 13-13 tie.

The following week disaster struck for Wooster. Invading Mt. Vernon with a fifteen game winning streak gave the Generals their only defeat 45-0.

Traveling to Orrville the next week, the Wooster crew battled their old arch rival in a sub-freezing snow storm to the tune of 6-0.

Returning home for the final game of the season, the team romped over Cambridge 35-19.

The scrappy bunch of 57 Generals more than outdid their expectations. Hampered only by size, the small but highly-spirited team was ranked 22nd in the state at mid-season and 35th at the close of the season. Truly this was one of the greatest teams Wooster ever fielded.

## *Reserve Football*

The 1957 edition of General understudies proved to all that the next several years are going to be successful ones for W.H.S. The JV's, coached by Nick Dellerba and Jim Byrd, compiled a neat three win, four loss, one-tie record.

Preview action saw the future Generals repel a rugged freshman team 7-0.

On into the season the reserves lost to tough Dover 25-18 and a very strong Elyria eleven 32-0.

The two other defeats were handed to Wooster by two aggressive varsity teams. Medina County champs stopped the JVs 31-6 and Wayndale held the reserves 32-0.

Victims of the future Generals this season were Wadsworth in the opener and Loudonville. Wadsworth went down 31-6. Wooster reserves gave Loudonville the worst beating of any Wooster JV team to the tune of 65-0.

Rival Ashland was the junior Generals only tie 0-0.

With better than half of the varsity being underclassmen, the reserves compiled a very fine record.

## ***Freshman Football***

The youngest yet perhaps the largest team at W.H.S. had the best freshman record in quite some time. The Frosh, coached by Ken Zuercher and Dave Gallapoo, racked up a four win, two loss, no-tie season.

The future Generals lost both of their games to the reserve teams of Wooster and Wayndale. The Wooster JVs squeezed out a 7-0 preview win while Wayndale rocked to a 32-18 win.

The four wins came from evenly matched freshman teams. Dover went under 40-14 while a more stubborn New Philadelphia subsided 19-0.

Canton Timken and Elyria were the two remaining victims of the Wooster squad. Timken was downed to the tune of 27-13. Elyria, supposedly the toughest team the young crew was to meet, was put down in a hard fought 27-7 game.

The game with Wadsworth was cancelled this year because of the fact of an epidemic in that town.

In future years Wooster will have much to look forward to. With four freshmen on varsity and this tough team Wooster's opponents had better be on the alert.

## Boys "W" Association

The Boys "W" Association has completed another year as an active service organization of the school.

The Association is composed of the monogrammed winners of all the varsity sports. Advisers of the club are the varsity coaches of these same sports. Mr. Gene Coleman, WHS athletic director, serves the group as permanent adviser while the other varsity coaches assist when their sport is competing interscholastically. Therefore, all varsity coaches occupy the position of adviser of the organization.

Although not widely publicized, the services performed by the club enhance, to a great degree, the functioning of various school and athletic events.

Probably the most important and impressive activity of the organization is the formal induction service in the spring of each year. At this time new members are installed and instructed in their duties.

## Varsity Basketball

Swishing their way to fourteen wins in twenty-two games plus the District Championship, this year's edition of the Blue and Gold cagers set records and made history for W. H. S.

In actual season play the Generals won ten for seventeen games playing in the cream of Ohio state AA basketball. Of the seven defeats, only two were over fifteen points difference.

One of the history making feats the Byrdmen were able to accomplish was a sound beating of Ashland 74-63 thus breaking the Arrows eighteen year hold on Wooster.

When tourney time rolled around Wooster won the sectional AA championship halting Orrville and Waynedale. For the first time in Wooster basketball history Wooster advanced to the District AA meet at Kent State.

At Kent Wooster's fabulous Generals surprised everyone but themselves by stopping Poland and state rated Youngstown South to capture the District Championship, climb into the "sweet sixteen," and win a berth at the Regional playoff.

Regional play saw the cagers pitted against a big and tough Cuyahoga Falls club who squeaked out a four point victory to end the 1957 - '58 basketball season for Wooster.

Wooster racked up 1414 points, another new record, for a 64.3 average. Senior Bill Musselman led the team with a record breaking total of 383 points.

This being the first winning season in five years plus all of the new records set, the basketball season of 57 - '58 can be said to have been most successful.

## ***Freshman Basketball***

The 1957-1958 Frosh lived up to their expectations holding down a 10-3 record. No Freshman team has ever had a losing season at W.H.S. This year's Frosh had a 40.6 average while their opponents had a 33.3 average. Leading the Freshmen was Dick Noble with a 10.9 average followed by Bill Miller with a 7.5 average. With this fine record Wooster has much to look forward to in the years to come.

## Varsity Swimming

Under the tutelage of a new coach the 1957-1958 aquamen won their first meet in two years while compiling a 3-6 record for the year. Playing state champs Canton McKinley and other top five schools, the losses Wooster suffered were quite acceptable.

At the district meet, the Wooster entry, paced by Ron Finley, placed sixth with 10 points while Ron captured second in the 200 yard freestyle.

Running into stiff competition at State, Ron placed seventh, bringing more honor to W.H. S.

With only four seniors on the team and many underclassmen returning next year as lettermen, the swimming team is on the rise to becoming a winning team under Coach Downie.

## ***Wrestling***

The 1957-58 matmen of Wooster turned in their best performance in the school's three-year history. Coming out on top of a 6-4 record, the matmen proved that with more experience comes better results. Wooster opened the season with a 33-3 victory over Mansfield. After losing to Kent the squad won two in a row from Barberton and Massillon. Out of the last five matches Wooster won over Massillon, Mansfield Senior High and Cuyahoga Falls.

One of the high points of the year was Wooster's placing third in their district. They rolled up 59 points to come in behind Crestwood and North Canton. This was a very fine performance because there were 23 teams participating in this event. Stewart McCoy, Paul Fischer, and Bud Bender placed first and Mike Trikilis, third in their weight classes, thus qualifying for the state meet.

Mike Trikilis and Stewart McCoy were eliminated early in the contest, but Bud Bender and Paul Fischer placed fifth in the state in their weight classes.

Four seniors will not return next year: Bud Bender, Paul Fischer, Curt Dunham, and Crin Hoover. These boys turned in fine performances and their presence will be missed next year.

Many underclassmen saw action this year and these boys will give Coach Majerczak the nucleus of a fine wrestling squad next year.

## Track

Jumping into a tough twelve meet schedule, the thinclads of Coaches John Riley and Roman Majerczak will be after another winning season in '58.

With seven returning lettermen peppered throughout the fourteen events, many underclassmen will have a crack at the number two or three slots. The senior lettermen are Jim Yocum in the distances; Phil Dunham in field events; Stan Argabrite and Dave Brock in the sprints; and Bud Bender in the weights. Two juniors, Ron Kinney and Jim Shelly, figure in the quarter-mile and the broad jump respectively.

This year's "cleet feet" have two new experts to work under—Coaches Nick Dellerba from Alliance and Gordon Downie, fresh from the campus of Heidelberg. Working with just three lettermen, the coaches have much hard work with many underclassmen. The lettermen are juniors Tom Sapp on the mound and Jim Zurcher at short. Senior Bill Musselman will still be the brick wall behind the padding at home.

With nary a senior on the team and three junior lettermen, Rob Briggs, Bill Tracy, and Walt Rearick, many freshmen and sophomore will get a crack at the starting line up. Next year the golfers should really be tough with the same team as this year. Either year the golfers will put on a fine performance for W. H. S.

Sports Board, the governing body of the GAA, consists of four elected officers and ten appointed managers.

The purpose of Sports Board is to promote an active interest in the GAA and its program, and to plan and carry out a successful program of activities for the year.

The Board also represents the GAA in competition with other schools. This year the girls were the guests of Ashland High for several volleyball games. A combination of the Sports Board and the basketball All-Star teams played host to Norwayne for a basketball game.

## Class History

Many tears have been shed as the Class of '58 has come to the end of its wonderful and cherished years at W. H. S. Naturally there were times when we thought we could burn the school down. But these times were well overshadowed by the enjoyable times we shall never forget.

What a good feeling it was to be regarded as a member of the high school instead of being treated as a pesky "junior-higher." Club Coed was old stuff and the "Y" was mobbed with freshmen. On the first day of school the conversation sounded something like this.

"Hey, Patsy, have you seen that new teacher in general science?"

"Wow, you mean Mr. Hetrick? I have him fifth period. And, Carolyn, who is the cute little man who is always with him?"

"Oh, that's 'Tweetie' Byrd. He teaches biology and is also teacher of our big Home Room 203. All the kids just love him!"

Jim Yocum held our first big office as president of the Latin Club. Carolyn Tissot was president of Junior G. A. A. Don Strock started his managing career. We had a good freshman basketball team with 6 wins and 5 losses. Bill Musselman was high scorer with 117 points.

The girls will never forget freshman Girls Chorus with Mr. Nickles as their director. They can still sing the refrains of many of the songs they learned, and in harmony, too.

Our class was officially organized in our sophomore year. At the beginning of the year we chose our class officers. Jim Yocum was elected president; Beth Kindsvatter, vice-president; Carolyn Powell, secretary-treasurer; and Carolyn Tissot and Dave Brock, social chairmen. Mr. Randall Hartley and Miss Gladys Jacobs were chosen to advise the class.

Our first big event was the sophomore class party. It started with a pot-luck supper and was followed by dancing. We'll never forget "Argo", Stanley Argabrite, as our M. C. for the intermission.

Our first Hi-Y clubs were organized that year with Gretchen Harmon as president of the Tri-Hi-Y and Ronnie Mandolin as Hi-Y president. The advisers were Miss Fausnaugh and Mr. Sadler. Jerry Tufford was elected president of the second year Latin Club. That was the year of the big Roman banquet. "Money Mad" was the fall play. And Ellen Dix had the part of a fifteen-year-old cheerleader.

One unhappy incident occurred. Sandy Snyder and Ronnie Mandolin wound up in the hospital with minor injuries following an automobile accident. Others in the car were just "shook up."

At the beginning of our junior year Dave Brock was elected president and Don Cook vice-president. Kim Rice was elected treasurer and Carolyn Tissot and Phil Dunham were named co-social chairmen.

The football team had a good record of 6 wins and 3 losses and one tie. To climax our football season Beth Kindsvatter and Gretchen Harmon were elected as Junior Attendants for Homecoming.

Jennie Yoder played opposite Jim Hanger in the fall play, *Junior Miss*. Future Nurses Club was organized and Beth Kindsvatter was elected vice-president. Laura Liggett was president of Junior Tri-Hi-Y and Dan Strock was president of Junior Hi-Y. Janet Steiner presided over Library Club. Jeanette Treat was the only one receiving Honor Thespian.

This was the year of "pizza" and driver's licenses. Jennie Yoder's name will go down in history as the first driver training student ever to wreck the training car.

This was the year that our talented trio, the "Skytones," originated. They will long be remembered. We can never forget the "Battle of the Water Tower" between the Class of '58 and the Class of '57.

Ten juniors joined National Honor Society. They were Jennie Yoder, Beth Kindsvatter, Sandy Ashton, Jeanette Treat, Pat Durstine, Gretchen Harmon, Janet Steiner, Phil Dunham, Jim Yocum, and Eugene Keil.

Don Sigrist was chosen to go on the United Nation's pilgrimage. Gretchen Harmon and Janet Winger attended Girls' State and Gretchen Harmon attended Girls' Nation. Bill Ports and John Martin attended Boys' State.

## Class History

(continued from page one hundred thirty-eight)

Sandy Snyder had the lead role in the spring play "Adam and Eva."

The climax of our junior year was the Junior-Senior Prom. We thought that "Neptune's Gardens" was the best prom ever held at Wooster High. Carolyn Tissot and Phil Dunham did a terrific job as the head chairmen. We will never forget the fabulous backdrop by Ann Sherwood and her committee, or the intermission, "Alice in Waterland." Carolyn Tissot and Beth Kindsvatter were chosen as prom attendants. The evening was one of dancing and romancing. After the dance at the high school we all went to the Schine's Theater to see "Desk Set." This was followed by another dance at the armory. And then breakfast at the Masonic Temple. The evening, or shall we say morning, was ended when Phil Dunham won the grand door prize of fifty dollars.

Our senior year is full of wonderful memories. It started with the election of Curt Dunham as president; Bill Reesman, vice-president; Sandy Snyder, secretary-treasurer; and Pauline Crow and Terry Bishop co-social chairmen.

Our football season was one which will do down in history with eight wins, one loss, and one tie. The season started off with a victory over Dover. We will never forget those thrilling touchdowns made by Bud Bender and Joe Miller. Our only tie was our homecoming game with Mansfield Madison. We will never forget how beautiful Beth Kindsvatter looked as our homecoming queen. Her senior attendants were Anita Carney and Carol Jolliff. The season ended with a victory over Cambridge. The day started out as senior black day when all the senior girls wore black. At 3:00 there was a special recognition assembly for all senior players. The favorite record of each player was played as Jennie Yoder read a few statements about each. After our victory over Cambridge, all the seniors got together at the post-game dance and sang "In the Middle of an Island." Many tears were shed as we closed the dance with our Alma Mater.

Our basketball season was also one we will never forget, especially that exciting evening that we beat Ashland for the first time in eighteen years.

At the end of our junior year, Phil Dunham was elected to preside over the school as Student Council president. We think he was one of the best.

We were fortunate to have Lawrence Schmid from Switzerland spend the year with us.

Sandy Snyder was chosen president of the Thespian Society. Jennie Yoder presided over N. F. L. Chuck Levine was French Club president and Paul Fischer was Spanish Club president. Donna Corn headed Library Club and Pat Durstine and Dan Strock did good jobs as Hi-Y presidents. Beth Kindsvatter was president of Future Nurses Club.

One of the biggest productions Wooster High ever put on was the fall play, "Around the World in Eighty Days." The cast was made up mostly of seniors, and they all did a terrific job.

Donna Corn and Eugene Keil were chosen to take the trip to New York in the Spring.

Some of the spring events were the "W" Girls initiation, the spring concerts, the track meets, and the spring play.

This year we could go to the prom and really enjoy it. The Juniors did all the work. And what an eventful evening it was. Yes, it was the last prom that we would ever attend at Wooster High. It was an empty feeling to think that we would never again attend the events of W.H.S. and really be a part of them.

The graduation dance was a night of dreams, and one of the saddest of evenings. This was really the last time the class of '58 would be together. The evening ended as everyone joined hands and sang "Auld Lang Syne."

Baccalaureate was the following Sunday and Commencement the next evening. The words of "You'll Never Walk Alone" touched the hearts of every senior. And as we received our diplomas, we knew that as long as we lived wherever we might be we would never forget the wonderful friendships and experiences that we had shared at Wooster High. To end our class history here is the closing phrase of "You'll Never Walk Alone":

"Walk on through the wind,  
Walk on through the rain,  
And you'll never walk alone---  
*You'll Never Walk Alone.*"

## Class Prophecy

Let's hop into our "58-nik" as we ride into the year of 1968. We shall take a trip around the planet Earth and see what has happened to those of the famed Class of '58.

As we near the Earth-Shrooosh! What was that? Who's driving that satellite which just side-swiped us? Hey, you! Can you hear us? I believe he's answering. Listen! "Uh-uh-uh-eee yuh." Oh, no! It's Dave Eby!

We are now directly over the North Pole as we see Sandra "Henry" Hudson trying to find Hudson Bay.

We're coming to New York City. There's Bill Reesman washing the windows outside on the U. N. building—and look—Pat Greenawald is washing the windows on the inside. Must have been fixed.

Let's take a peek in that television station over there. What is Beth Kindsvatter doing? Oh, I see now. She's blowing bubbles for Lawrence Welk—his bubble machine broke. Over here we see that Sue Warren has taken the place of Audrey Meadows in the Honeymooners. Why, where is Jackie Gleason? I can't believe it! It's the Doug Taylor show! You'll never guest who is doing the Maypo ad now. Yes, it's Terry Bishop!

Look quickly! That's Atlantic City and they are judging the Miss America contest. Doesn't the judge with the red hair look familiar? It's Chuck Levine! And they have reached the final decision—Miss America 1968 is Pat Durstine!

We are now over the Capitol building in the Senate. Jim Collier has just broken the filibustering record.

Hold on tight as we lower our "58-nik" over Fort Knox. There is Dave Brock sitting in his private office counting all the gold.

There's Cindy Catliff, but where are we and what are all those big buildings? Get out Tuffy Tufford Telescope—invented by Jerry Tufford—so we can read that sign. It's Dobb's University and Cindy is head school mistress.

Hey, not so fast! We almost overlooked Wooster. Let's see whom we can find here. Now I've seen everything. Bud Bender has switched from World's Wrestling Champion to bouncer at The Ranch.

Oh, yes, remember Mrs. Ellsworth's day nursery? Look at all the little children, but I don't see Mrs. Ellsworth. They say seeing is believing, but is that really Joe Miller and Stan Argabrite in charge? It really is!

A moment of silence as we pass over WHS. Let's look in the windows. Am I seeing things? Trent Zimmerman is teaching World Problems. I guess Mrs. Staebell gave up. We see Helen Morgan has taken Mrs. Joss's place in the dean's office.

Curt Dunham and Gretchen Harmon are head custodians. They are kept busy chasing moths and "Millers" out of closets.

Say—what's this—a new sport at Wooster High? Larry Sindlinger is the Yogi instructor. Wooster was top in the state this year.

Who's sitting on top of the flagpole? Yeow! Don't go so close! That was Kay Hoover. She has just broken the record for flagpole sitting.

We see several of our classmates in quite odd occupations. Jan Fox is writing an advice to the lovelorn column for the *Hourly Record*. Don Cook is an excellent chicken plucker. Donna Corn stuffs pimentos into olives and Jeanette Treat punches holes into donuts for Lerch's.

There are a couple of new factories in Wooster. As we look into the new Kim Rice Soup Company, we see Phyllis Troyer putting the "Ells" in alphabet soup. She seems to like her work. And there's the new Dijolcarn Hanger Factory which is owned by Ellen Dix, Carol Jolliff, and Anita Carney. Wooster always needed a hanger factory.

Look at that oil truck. Isn't that a woman driving it? It's Janet Steiner—she's the first woman driver for Steiner Oil Company.

We see there's a circus in town and look—Ronnie Konkle is the man on the flying trapeze, Neille Sidle is the head lion tamer, and—would you ever believe it?—Barb and Gerrie Vitallo have become bareback riders.

Hey! Watch out! We're so busy watching the circus that we almost knocked that girl off the water tower. It's Sandy Snyder—Hey, Sandy! What are you doing? Oh, I see. You're chipping off layers of paint and they won't put the ladder up until you're finished. Good luck!

Let's take a run up to Cleveland and see whom we can find there. Pat Snider is still having fun. She has been Miss KYW for ten years. An unequaled record! Isn't that nice?

## Class Prophecy

(continued from page one hundred fifty)

There's Dick Helmick. He's doorman at the Roxy. He really gets a bang out of his work. Oh, no! Bill Musselman has driven Jo Portaro out of business. The ladies flock to Monsieur Musselmaine's Salon.

Ann Sherwood is giving a swimming and driving exhibition. She has become famous for her form. Dan Strock is coach of the Cleveland Browns. Gary Rudy is star pitcher for the Indians.

We just received a news bulletin—Janet Winger has just cracked her jet!

Well, we had better leave Cleveland and continue westward. There's Indianapolis and look! Julie Buss just came in in first place at the Speedway.

As we fly over Wyoming, we see Ronnie Mandolin riding the range on his weasel ranch. And there's the Cheyene Rodeo. That great bronc rider down there is none other than Betty Eddy.

There's Hollywood! Dennis Landers has just been named the best dressed man in Hollywood. Don Sigrist and Judy Baus have received the Academy Awards for their performance in Sammy.

Down there are the Hawaiian Islands. Joanne Wood is teaching the natives to do the Hula. She's quite talented, you know.

Let's speed up a bit here until we arrive in Europe. Switzerland is just ahead, and there is Lawrence Schmid. He makes tiddlies for tiddly-winks. And there is the famous mountain climber, Larry Anderson.

As we look down on Monte Carlo, we see Ross Jameson trying his luck. Eleanor Howey is nursemaid to all the royal kiddies.

Looking over Paris, we see Carolyn Tissot giving one of her parties in a ritzy penthouse apartment. She never came back from her trip to Europe. She met a handsome Count and married him. Jennie Yoder has made a fortune in the world of fashion. Surely you have heard of the House of Yo-Dior?

We can see Spain in the distance. Don Battig has taken up bull fighting. He's made quite a hit with all the señoritas.

We notice that Beverly Bollinger is a big game hunter in Africa. We always did know she would make history. Paul Fischer found a fifteen pound sure diamond—but he lost it.

As we cross the Atlantic, the *Queen Mary* sails quietly under us. Becky Reynolds is the hostess, but she finds her job quite hard to take. She gets seasick.

Say! That looks like someone swimming down there. It is! It's—it's—it's Carolyn Murphy. She wants to be the first trans-Atlantic swimmer. She doesn't seem to have much competition. The water must be cold.

Well, we've been all around the world and have seen what has become of our old classmates. We have always known we had the bestest (Excuse, please, Miss Nesbitt) of classes. No one will ever forget Wooster High School's Class of '58.

## FHA

## Tri-Hi-Y

(continued from page sixty)

The annual Big-Little Sister picnic, which was held in the City Park again this year, gave new members a chance to become acquainted with the club.

In November, the annual Candlelight Induction Service was held jointly with the Hi-Y. Dr. Loren S. Hadley of Kent State University was the guest speaker.

Funds for the three clubs were raised by selling programs at the football games.

Just before Thanksgiving the annual city-wide Scavenger Hunt was held in which food and clothing were collected for the needy families of Wooster.

Other annual affairs were the World Service Starvation Banquet, the Father-Daughter Banquet, and the Mother-Daughter Tea.

Each year Tri-Hi-Y contributes to the Community Chest and Tuberculosis funds.

Members participated in "Y" Hour programs, the Good Friday Youth Service, and assisted with the March of Dimes campaign.

Tri-Hi-Y sponsored the Thanksgiving assembly, an all-school Christmas Formal, and co-sponsored an Easter assembly with the Hi-Y.

Officers attended Camp Nelson Dodd, an officers' training camp, in the summer, and an area conference at Hiram, Ohio, in December.

Active participation of the members in the club program was especially stressed this year.

## Societas Romana

(continued from page seventy-two)

Societas Romana is open to any student taking Latin I. The purpose of the club is to create more interest in Latin itself, to enrich the background of the students in Roman life and customs, and to point out to the students the importance of Latin in choosing a profession.

The program this year was planned around the theme "Our Roman Heritages." We were fortunate in having a talk by Dr. Robert Anderson, Latin professor at the College of Wooster; a panel of parents who discussed "Latin in Your Profession"; and a Fun and Guest Night at the close of the year.

The club is a member of the Junior Classical League.

## Soc and Buskin

(continued from page eighty-two)

The purpose of Soc and Buskin Club is to promote interest and develop abilities in the field of dramatic arts. This includes not only acting, but the many behind-the-scenes tasks without which a play could not be produced.

Membership is open to those who have successfully completed one year in the Apprentice Group. Meetings are held once each month at which time guest speakers discuss some phase of the theater or the members themselves give original skits. Every year the club presents two three-act plays for the public. The fall production this year was "Around the World in Eighty Days." The spring production was the "Father of the Bride."

The ninety-five members of the second-year Latin Club continued their affiliation with the Junior Classical League.

Programs included a play showing the value of a knowledge of Latin in English word building, a Christmas program in Latin and English, and a satire on Roman gods and goddesses. The climax of the year was the Roman banquet with guests in togas and stolas, a typical menu "ab ovo ad mala," and entertainment between courses in true Roman fashion.

This is the first year that Wooster High School has had percision marching, which produced, judging from applause and comments, many favorable opinions.

After the football season the Music Mothers had a party for the band.

The band played on various occasions, including High School Day at the College of Wooster, the dedication of the new high school gym, Wayne County Fair, and the Memorial Day Parade.

The concert band gave an outstanding concert this year. Especially well accepted were:

*Die Fledermaus*, Johann Strauss; *Raymond Overture*, Ambrose Thomas; *Knightsbridge March*, Eric Coates; *Relax*, Paul Yoder; *Bugler's Holiday*, Leroy Anderson.

## Orchestra

(continued from page ninety-two)

The annual spring concert was the outstanding highlight of the year for the orchestra. Two of the numbers which the orchestra presented were "Finlandia" by Sibelius and "Symphony Number I, Third Movement," by one of the orchestra, William Schimer. The director of the orchestra this year was Mr. Kenneth Willaman.

Other appearances of the orchestra were at the fall play, a music assembly, Baccalaureate services, and the Commencement exercises.

This year for the first time the orchestra took a trip to Cleveland to hear a concert of the Cleveland Symphony Orchestra.

## Reserve Basketball

Turning in the finest record of any team this year were the J. V.'s with a fine 15-2 mark. The Reserves lost both games to an experienced Dover five. The second game was won by Dover in overtime. With a 52.3 game average while holding their opponents to a 41.8 average, Wooster can expect as good caliber team as this year's to be coming up in the future.
